

A NAME, A NAME...WHAT'S IN A NAME?

Let imagination rage, delve deep within yourself and give us your best distinctive, apt name for the Mining History Association Annual.

The best suggestions will be circulated before the Board and a winner selected prior to the 1995 issue.

Displays of unadulterated genius should be sent to John Townley, 5480 Goldenrod, Reno, NV 89511 before 1 January 1995.

1994 MHA CONVENTION 3D INTERNATIONAL MINING HISTORY CONFERENCE SYMPOSIUM ON THE PRESERVATION OF HISTORIC MINING SITES

MHA members have a rare opportunity in 1994 to attend an international conference devoted to a worldwide review of mining history and preservation. The week-long meeting at the Colorado School of Mines (Golden), which is held in conjunction with MHA's 1994 annual conference, will be limited to just 300 participants. At this point, events are scheduled:

SUNDAY, June 5, 6PM: Registration, Reception, Opening Session

MONDAY, June 6, Presentations, Tour & Reception--Colorado Historical Society

TUESDAY, June 7, Presentations, Tour--Georgetown Mining/Railroad Museum

WEDNESDAY, June 8, Presentations, Free Evening

THURSDAY, June 9, Tours, Cripple Creek and Leadville

FRIDAY, June 10, Presentations, Closing

Additional information and registration forms will appear in the next MHS Newsletter.
